

Pneumatic Cable Stripping Machine

1. Pneumatic control, light and agile, easy operation.
2. Unique sliding seat, smooth reciprocating stroke, precise cutting and peeling.
3. Adjustable results, adjusted according to wire thickness.
4. Applicable to AC / DC power cord, computer cord, electronic wire, multi-core cable, special wire.

TECHNICAL SPECIFICATIONS AND PARAMETERS	
Power supply	AC 220V 50/60HZ
Cable outer diameter	Max. 15mm
Stripping length	Max. 100mm
Air supply	3-7kg
Weight	24kg
Size	450*400*250mm
